Sato ...
He likes me ..
Like .. We always do things he likes
If he hated me, I'm sure he wouldn't even touch me
And Sato's actions are always unpredictable
I'm always led around by him

But ...
Even now, I still think this way
I dare not say it...
Because he's very handsome,
I always adore him
How did our relationship become this way...
DRIP--
I'm too early
I wonder what time Sato will be here

No mood to work now
SORRY, IT'S VERY ANNOYING RIGHT?

Sato must like me a lot
Me too...
I think...
It's more embarrassing than a break up
I can't have a date at my work place
Ha Ha
Even though we're gay, I don't mind this kind of relationship
After confessing...
We start dating...
We become a couple...
Lovers...
